HACK ZONE · TONIGHT

Tonight's *5-minute* list

Pen and paper. Everything you still need to do. Make each one specific.

1 · PEN + PAPER

Five minutes.

Phone away.

2 · WRITE EVERYTHING

Every open loop, as it comes.

3 · BE SPECIFIC

Not "taxes": "call the accountant, 10 am".

One small lab study (57 healthy adults, 18–30): writing a to-do list before bed was linked to falling asleep faster than listing what you'd already done. Not medical advice. Source: Scullin et al., J Exp Psychol Gen 2018.
